SUBMISSION OVERVIEW

Entry Title / Name of the Work *

Category *

Many entries qualify for more than one category. Entrants may submit in multiple categories. However, please note entries submitted into one of the following categories MAY NOT be entered into any other category:

- International OOH
- OOH for Good

In addition, there is no limit to the number of entries submitted by one individual entrant.

To submit an entry into multiple categories, complete the entry form for one of the categories you wish to enter. Once you complete the entry and add it to your cart, you'll be given the option to copy the application. After copying the entry, you can change the category selection and edit the submission accordingly. Repeat this process for additional categories.

WRITTEN SUBMISSION

Please answer the following questions clearly and concisely. Judges will review these responses alongside submitted creative materials.

Brand Background & Challenge (max 500 words) *

What was the business, brand, or communications challenge? What problem were you solving?

Insight (max 300 words) *

What was the key human, cultural, or marketplace insight that led to the creative idea?

The Creative Idea (max 500 words) *

Describe the single core idea. How was it designed specifically for out of home? Why did it require the medium?

Execution of Out of Home (max 500 words) *

How did the idea come to life with OOH? Explain how the physical environment and placement strengthened the idea.

Additional guidance for Experiential & Immersive OOH entries: Describe how people interacted with the work, why the experience required a live environment, and how engagement deepened the creative concept.

Role of OOH Within the Broader Campaign (if applicable) (max 300 words) *
If part of an integrated campaign, explain how OOH was essential.

Results & Impact (max 500 words) *

Please address all that apply:

- Objectives
- KPIs
- Measurable outcomes
- Business impact
- Cultural or earned impact

Provide verified data where available.

Additional guidance for Experiential & Immersive OOH entries: Include participation metrics such as foot traffic, dwell time, repeat visits, or social extension where applicable.
